GitHub : <https://github.com/SimosData>

Passionate and driven final-year IT Computer and Networks student with a strong foundation in web development (HTML, CSS, JavaScript, Git, GitHub, Bootstrap 5) and a keen interest in front-end development. Developed problem-solving skills through hands-on projects and a Data Analytics Bootcamp. Eager to apply my skills and learn from experienced developers in a fast-paced, creative environment as a Front-End Developer
